Religious Education Coordinator – St. Patrick's Parish, Campbell River*

Dear Madame President Sheila
Saint Vincent de Paul Conference – St. Patrick's Parish

This past week the St. Patrick's religious education students held our annual garage sale for kids. You may remember that as an exercise in giving during Lent, all of our students (grades 1-5) are asked to donate some of their own toys and books to this sale. They are also asked to bring their own money to buy things at the sale.

This past Thursday, April 10th, we held our sale after catechism classes. We had great toys, books and even some homemade cookies donated. All items sold for a quarter (25 cents). Everyone had a great time together. With the sale of all these items and a few donations from parents and teachers, we are thrilled to say that we raised a total of \$81.50

We are so happy to donate this money to your amazing and deserving organization! Thank you all for being fantastic role models for all of us.

God bless you,
Sharon Rondquist Turner (Religious Education Coordinator)
and all of our catechists & students

Thank You
